Historical Atlas of the Classical World offers a fascinating guide to the history of humanity from the period when Greek civilization was at its height to the time of the Roman Empire. This atlas provides a unique perspective on the political, social, and cultural developments of the Greco-Roman world. It includes detailed maps and illustrations of the cities and regions of the classical world, as well as information on important historical events and figures. The atlas is an essential resource for students and scholars of classical history, as well as for anyone interested in the history of the ancient world.
