Muslims: Their Religious Beliefs and Practices
(Library of Religious Beliefs and Practices)

Muslims offers a survey of Islamic history and thought from the formative period of the religion to modern times. It examines the unique elements which have made Muslims: Their Religious Beliefs and Practices a classic. The revised, second edition of this authoritative and accessible text combines the previous two separate volumes, providing a survey of Islamic history and thought from the formative period of the Islamic religion to modern times. It is an essential reference for students and scholars alike. This new edition has been comprehensively updated and for the first time features a comprehensive survey of Muslims in the modern world.
